### WARRANTY

Castle Bespoke plank floor is a European white oak plank made from exterior grade (moisture resistant) Baltic Birch backing and carries a limited lifetime warranty against delamination. Any planks that de-laminate by failure of the product adhesive can be returned to Castle Bespoke and are eligible to be replaced with a matching or similar, non-affected plank. Warranty does not cover any moisture related issues, product abuse, or floor finish warranty. Follow installation instructions and NWFA recommendations for proper pre-installation procedures, as well as installation guidelines for optimal results. Castle Bespoke planks can come unfinished or custom pre-finished with a range of finish types. Wood floors require regular maintenance and periodic re-coating. Follow the maintenance and coating recommendations of the particular finish used/requested on your Castle Bespoke floor. It is the customer's responsibility to familiarize themselves with what products have been used on their Castle Bespoke floor, and how they should be caring for their floor. Castle Bespoke will provide all available product info sheets on request. Any successful warranty claims will be limited to replacement product of the affected planks themselves and will not cover any labor/shipping or materials to remove/install/finish. The best time to return any questionable product is prior to the installation of the affected plank/s, and it is the installers responsibility to review the product for suitability prior to actual installation. In the event of a discontinued profile/product, Castle Bespoke will replace with a plank that is the closest match possible from our stock. Please note: Replacement planks are not guaranteed to be an exact match. Castle Bespoke is dedicated to providing quality products and superior service to all of our customers.
