WARRANTY

Here at Castle Bespoke, we stand by the quality of our natural wood products. Castle Bespoke Versailles is a natural wood parquet floor panel made of European White Oak plank with an exterior grade (moisture resistant) Baltic Birch backing and carries a limited lifetime warranty against delamination. Any panels that de-laminate through failure of the product adhesive can be returned to Castle Bespoke for replacement with a matching or similar, non-affected panel. Warranty does not cover any moisture related issues, product abuse, or floor finish warranty. Follow installation instructions and NWFA recommendations for proper pre-installation procedures, as well as installation guidelines. Castle Bespoke products come either unfinished or custom pre-finished with a range of finish types. Wood floors require regular maintenance and periodic re-coating. Follow the maintenance and coating recommendations of the particular finish used/requested on your Castle Bespoke floor. It is the customer's responsibility to familiarize themselves with what products have been used on their Castle Bespoke floor, and how they should be caring for their floor. Castle Bespoke will provide all available product info sheets on request. Any successful warranty claims will be limited to replacement product of the affected panels themselves, and will not cover any labor/shipping or materials to remove/install/finish. The best time to return any questionable product is prior to the installation of the affected panel(s), and it is the installers responsibility to review the product for suitability prior to actual installation. In the event of a discontinued profile/product, Castle Bespoke will replace with a panel that is the closest match possible from our stock. Please note: Replacement panels are not guaranteed to be an exact match. Castle Bespoke is dedicated to providing quality products and superior service to all of our customers.

Please feel free to reach out via phone 833.822.7853 or email info@castlebespokeflooring.com should any questions or comments arise. We look forward to serving you!
